THIS IS THRIFT YEAR--PLANT DEPENDABLE STOCK. Your Dollar will never buy more, or give greater increase in satisfaction and value than where invested NOW in a few well placed ornamentals or fruits.

THIS PRICE LIST covers in condensed form the best new and standard sorts adapted to the northwest. We have many other sorts in the nursery, and if you don't see what you want LET US QUOTE YOU PRICES.

FOR OVER 30 YEARS our aim has been to supply the BEST OF HARDY STOCK AT RIGHT PRICES. We appreciate and thank our thousands of patrons for their patronage and good words. SATISFIED PATRONS is our best advertising medium.

WE GUARANTEE SAFE DELIVERY. If anything isn't right, or DOES NOT START, under good care, LET US KNOW AT ONCE--as we cannot assume further responsibility, at our basis of prices.

OUR PRICES HAVE BEEN TOO LOW for several years to net us much profit; but we have cut many items still more--as we mean to meet prices of any responsible northern growers. DON'T WASTE MONEY on immature southern varieties. It takes longer to grow and handle right, good, hardy stock, adapted to northern conditions.

LET US HEAR FROM YOU AS TO YOUR PLANTING PROBLEMS NOW. After our shipping season begins we can not give inquiries the personal attention they merit. Our 30 years' experience is at your command without obligation. CATALOG MAILED ON REQUEST. For other up-to-date literature we suggest:
